The Lansing Fire Department would like to express our gratitude for your support with the 2019 Fire Prevention Open House. Every year thousands of civilians are injured or perish due to fires. Our goal of the open house is to reach as many persons as possible and to educate them about fire safety and prevention.

It was a great day for enjoying both education and the weather. Your donation and aid allowed the event to be the great success it was and for this, we are extremely grateful.

Again thank you for all of your support!

Sincerely,

Fire Marshal's Office
